the Granary deli

The granary is a cheese shop at heart, selling the very best British and European cheeses. We also feature several locally produced artisan cheeses, available for tasting and buying online. As a fine food shop, we stock the highest-quality food products, from fresh artisan breads, olives, tomatoes and cured meats, to a tempting selection of goods for the sweeter tooth. We strive to keep our range original and fresh, continuing to introduce the newest and finest products that we discover. Our beer wall is stocked with ale, lager and cider, sourced from local breweries and we have an extensive range of fine wines and locally produced gins.
